AND CHILDREN**

**NAPLES, FL.** April 7, 2011- First National Bank of the Gulf Coast is holding a bunny drive to benefit The Shelter for Abused Women and Children. Items that are being collected include stuffed bunny rabbits, non-chocolate Easter candy, coloring books, crayons, sidewalk chalk, stickers for girls or boys, hair accessories for girls, as well as items for teenage boys and girls. All items collected will be made into Easter baskets for the children residing at The Shelter. Donations are being collected now at the following banking locations: 3580 Pine Ridge Road and 811 Anchor Rode Drive in Naples, and 50 Joel Boulevard in Lehigh Acres.

“Over the past few months we have been at or near capacity here at The Shelter. Without the support of our community, especially as we head into the spring and summer months, we could not serve and protect our participants as well as we do. What First National Bank is doing will definitely brighten the days of all those we serve,” explains Rebecca Grabau, Volunteer and Resource Coordinator for The Shelter for Abused Women and Children.

First National Bank of the Gulf Coast offers a full line of personal and commercial banking products and services with a commitment to providing a superior level of customer service. The bank’s headquarters is located at 3560 Kraft Road in Naples with two full-service banking locations in Naples located at 3580 Pine Ridge Road and 811 Anchor Rode Drive. The bank also has a full-service banking center located at 50 Joel Boulevard in Lehigh Acres.
